SPECIFY

For extended wear life, choose **Long Life™**. Horner's **Long Life™** flooring is 25/32" northern hard maple with the same wear depth as 33/32" flooring. **Long Life™** provides the ecological, cost savings and availability benefits of a 25/32" floor, with extended wear life. More re-sands, stronger system and economical. Why not value engineer?

HORNER FLOORING is the leading manufacturer of athletic flooring systems used in high-school gyms, college and professional arenas, and public and private training facilities.
